

## **BREWING AND MALTING BARLEY RESEARCH INSTITUTE**

P.O. Box 1497, STN Main, Winnipeg, Manitoba R3C 2Z4  
Phone: 204-927-1407 www.bmbri.ca

### **23<sup>rd</sup> BMBRI Triennial Barley Meeting**

**Tuesday February 23, 9 AM to 5.30 PM**  
**Delta Bessborough Hotel, Saskatoon**

#### **9. AM to Noon: CDC Malting Barley Breeding and Analysis Labs**

Bus pickup at Delta Bessborough, 9 AM and return at Noon.

**Noon – 5.30 PM: Terrace Lounge, Convention Floor, Delta Bessborough**

**Noon - 1 PM: Sandwich Lunch**

#### **1 PM – 2.30 PM: Breeder Panel (Chair B. Harvey)**

- **Aaron Beattie:** BMBRI/AIP- Two Row Malting Barley Improvement at CDC
- **Bill Legge and Ana Badea:** BMBRI/AIP- Two Row Malting Barley Improvement at AAFC
- **Pat Juskiw:** BMBRI/AIP- Two Row Malting Barley Improvement at FCDC
- **Jennifer Zantinge:** BMBRI/AIP malting barley breeding support, disease screening research project
- **Pat Juskiw:** (for John Vidmar): BMBRI funded - Mutation population project

#### **2.30 PM – 4 PM: Agronomy and Quality Research Panel (Chair B. Rossnagel)**

- **Kelly Turkington/(for O' Donovan):** BMBRI/AIP- Summary outcomes to date of desiccant, Nitrogen and PGR agronomy projects
- **Marta Izydorczyk:** BMBRI Funded - Summary of barley cell wall polysaccharide effects on viscosity and filterability of wort
- **Ludovic Capo-chichi:** BMBRI Funded- Genetic variations in low temperature seedling performance
- **Marta Izydorczyk** (for Aaron Mills): BMBRI/AIP - Eastern Canadian Malting Barley Production Investigations project
- **James Tucker:** BMBRI Funded - New approach to finding FHB resistance and lower DON accumulation project

#### **4.15 - 5.30 PM: Panel on Progress with Commercial Testing and Migration to New Malting Barley Varieties (Chair W. Fernets):**

- BMBRI Malting and Brewing Industry value chain members + CMBTC Technical Staff

“Supporting the development and evaluation of new malting barley varieties in Canada”
